The Honorable Rosa DeLauro  
Ranking Member  
House Committee on Appropriations

Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for Nu'uuli Shoreline Protection project in fiscal year 2025. The entity to receive funding for this project is U.S. Army Corps of Engineers.

The funding would be used for the Initial Enabling Project.

The project is an appropriate use of taxpayer funds because it will protect the community in American Samoa residing along the coastline.

The U.S. Army Corps of Engineers has continuing authorities CAP Section 103 for Hurricane and Storm Damage Reduction (Beach Erosion).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Aumua Amata Coleman Radewagen  
Member of Congress
